The Department of Electrical Engineering and Information Technology launches its new study programme "Master of Science in Quantum Engineering" in fall 2019.

Department of Information Technology and Electrical

Program Title – Electrical Engineering Technology. Credential Earned Ontario College Advanced Diploma. Delivery Full Time. Program Length 6 Semesters

Electrical Engineering Technology | Northern College

Electrical engineering (EE) deals with the study and application of electricity, electronics, and electromagnetism, including such topics as digital computers, power engineering, telecommunications, control systems, radio-frequency engineering, signal processing, instrumentation, and microelectronics.
