Political Power. We demand independent Black political power and Black self-determination in all areas of society. We envision a remaking of the current U.S. political system in order to create a real democracy where Black people and all marginalized people can effectively exercise full political power.

### **Political Power - The Movement for Black Lives**

Foucault: power is everywhere. Michel Foucault, the French postmodernist, has been hugely influential in

shaping understandings of power, leading away from the analysis of actors who use power as an instrument of coercion, and even away from the discreet structures in which those actors operate, toward the idea that "power is everywhere ...
