

the future of work pdf

For over 50 years, the World Future Society has been at the forefront of defining what it means to embrace a Futurist Mindset. Whether you're focused on social impact, creating a disruptive business, or exploring exponential technology, we believe there is a futurist in each of us.

World Future Society®

Future studies or futurology is the science, art and practice of postulating possible, probable, and preferable futures and the worldviews and myths that underlie them.

Future - Wikipedia

The National Labor Relations Board is an independent federal agency that protects the rights of private sector employees to join together, with or without a union, to improve their wages and working conditions.
