Download PDF: The Later Foucault: Politics and Philosophy

The Later Foucault," "with an impressive interdisciplinary focus, argues that one of the keys to understanding Foucault is his political thought. It is this which he expressed clearly in his last writings and which pulled together his earlier interests in power, agency and subjectivity. In this volume a distinguished array of Foucauldian scholars and commentators on politics explore the significance of these last writings. They examine such key issues as the question of Foucault and human ...
